

### **The commendation:**

Support us all the day long of this troublous life,  
until the shades lengthen, the evening comes,  
and the busy world is hushed, the fever of life is over,  
and our work is done. Then, grant us a safe lodging,  
eternal rest, and peace at the last.

With love and respect we have been remembering the life of Diane.

Her hopes and ideals we commit into our minds and wills.

Her love and our love we commit into our hearts.

With these words we now commit her body to be cremated and  
returned to the care of the earth.

### **WORDS of FAREWELL:**

Remember Diane's gifts, share your stories and the memories of all  
the good times together. Be inspired by the way that she made you  
laugh and in this way her spirit will live on in you all.

We now say farewell to Diane with a final reading.
